

WESTERLY LEARNING CENTER

CODE OF CONDUCT (Junior Version)

Please read the entire Code below. Sign and date the detachable form and return it to WLC along with your Application.

Because I am part of the Westerly Learning Center, I will do the following:

When I talk: I will be kind and courteous in everything I say. I will work on saying things that make others feel happy.

I will be respectful in all that I do: I will treat all WLC teachers and students with respect. I will respect all adults at WLC who talk to me or ask me to do something.

I will also take care of things: I will be careful with anything I use or touch at WLC. I will make sure anything I use is in good condition for someone else and I will put away anything I use. I will ask before I use someone else's things.

I will be an encouragement: I will be a good friend to every student I meet at WLC. I will ask politely for things I need, and wait patiently to be answered when I have a question. I will use my words to solve problems in kind ways. I will not hurt anyone with my body or my words.

I will be safe: I will not do anything that is unsafe for myself or others. I will not hurt anyone's body or their feelings. I will respect any adult who tells me something is unsafe. I will respect any student who tells me I am hurting them.

I will remember that I am part of a group: I am glad that I am part of the Westerly Learning Center. I am glad that I can learn how to follow WLC rules and be a better student. I am grateful I can follow the examples of my teachers.

I will ask for and give forgiveness: I will ask forgiveness when I have done something wrong. I will accept an apology from someone else who has done something to hurt me, and I will tell them I forgive them.

I will be thankful: I am thankful for the time I have at the Learning Center and for the opportunity to learn with other children and my teachers.

I have read (or had read to me) the WLC Code of Conduct and agree to follow this code.
